A BRAND-NEW LUXURY HOTEL ON IOS ISLAND  
WITH STRIKING VIEWS AT MYLOPOTAS BAY AND THE AEGEAN SEA

---

## LIVE THE INFINITE BLUE EXPERIENCE

Ios Grand Pool Suites is the sister hotel of the legendary Ios Palace Hotel & Spa, located at the awarded Mylopotas beach. This new hotel expands the luxury hospitality with 12 new pool suites. It was created with the Cycladic architecture and tradition at heart. Every suite has its own entrance and infinity pool offering privacy and panoramic views at Mylopotas bay and the Aegean Sea. Surrounded by the outdoor furnished setting in large verandas, the pools are the main privilege of the hotel promoting an outstanding outdoor living concept. Ios Grand Pool Suites is located a breath away from Mylopotas beach and at a walking distance from Chora, the main town of Ios Island (1,5km).

## THE OUTDOOR LIVING EXPERIENCE

The hotel was mainly inspired from the breathtaking views and the amazing colours of the sea. The proximity to the sea makes you feel like you are in a boat travelling. The sun is always at the correct side and there is almost never wind on that side of the bay. You can enjoy the outdoor living more than any other properties. That's why we have based our concept and design on very big verandas and outdoor swimming pools overlooking the Aegean Sea.

The Outdoor setting offers:

- Outside Dining area
- Outside Sitting area
- Outside Fridge
- Outside Shower
- Outside Daybeds

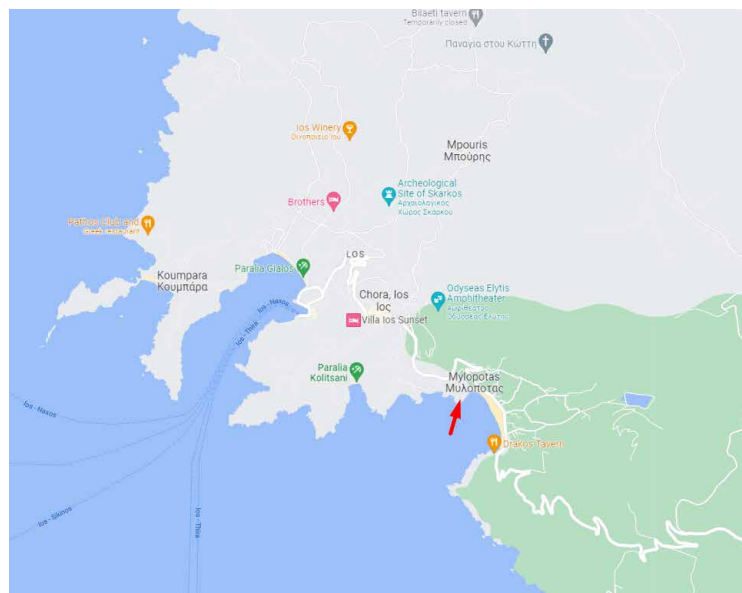

## LOCATION

Ios Grand Pool Suites is amphitheatrically built above Mylopotas bay overlooking the Aegean Sea, the perfect scenery for a private escape just a few minutes away from the awarded Mylopotas beach with crystal clear waters and golden sand. The new hotel is strategically located at a walking distance from Chora offering a direct proximity to the main town.

### Distances:
